Ark Royal is a 115-foot luxury cruiser traversing the crystalline waters of the Maldives. The living quarters are complemented by a restaurant able to offer you indoor dining, a fully-stocked drinks bar, a tastefully-decorated lounge, and an extensive library, including video and music collections, should you wish to recline and lose yourself in a book or more.

All living quarters are equipped with the latest technologies offering you the amenities of a TV, DVD and CD player, a private bar, an electronic safe and telephones. Remain in touch with the rest of the world with our on-board Internet (3G plus internet modems available for rent \$ 10 per day)

The spacious sundeck is perfect for watching the sun go down, with a drink in hand, thanks to the outdoor bar service. When the sun goes down, and the stars come out, there is nothing better than to gaze upon their beauty with our telescope on deck. Don't forget, however, to engage our on-board Steam Bath and masseuse, for some relaxing therapy from time to time.
