Bonaire is an island small in size, but filled with dynamic opportunities for diving, eco-adventures, or simply enjoying the laid back way-of-life, slow pace, and tranquility that is so typical. Located in the southern Caribbean, outside the hurricane belt, Bonaire is part of the Netherlands Antilles. Constantly rated as the top dive destination in the world and as a pioneer in preserving nature, Bonaire is indeed the dream for every diver. Over eighty dive sites, most of which are easily accessible by shore, truly make Bonaire the “shore diving capital” of the world. But this boomerang-shaped island, 24 miles (39 kilometers) long by five miles (8 kilometers) wide, also offers a variety of activities for those who do not dive or don't want to dive exclusively.

**Kayaking, land caving, snorkeling, mountain biking, wind- or kite-surfing, bird watching and hiking are available options.**

Bonaire's restaurants are a reflection of the island: diverse and surprising. For every budget, taste, and expectation level, you will find your restaurant: international, exotic, local, or fast food. Let us know when you wish to dine off site, and Buddy's will make a reservation for you.

**The Pool Bar & Restaurant at Buddy's:**

Visit The Pool Bar on Monday, Wednesday and Saturday to enjoy some of the best international dishes on Bonaire. Every Friday you're invited to join us at our Managers Rum Punch Party, a lively event with snacks and free rum and fruit punch from 5:30pm - 6:30pm. Dance to the live music of the fun and fabulous Moogie until it's time for a dinner break at 7:00pm. Complete the evening by joining us for our famous All You Can Eat BBQ, featuring steak, fish, chicken and ribs accompanied by a variety of stews, salads and rice dishes, soup, and of course, dessert! It is a feast you will not want to miss and will clearly deserve at the conclusion of your dancing!

**Lions Den Restaurant at Buddy's**

The Lions Den Restaurant, at Buddy Dive Resort, has breath-taking panoramic views of Bonaire's coastline. The international menu and the personal service have garnered a reputation as a gathering place for visitors as well as locals. Lions Den definitely belongs in the top dining spots of Bonaire.

**Caribbean Club's Bar & Restaurant**

Caribbean Club's Restaurant & Bar is situated in the middle of the resort's beautiful garden and overlook one of the Resort's swimming pools. Come to visit us during one of our Theme Nights to enjoy our delicious meals. On Sunday we organize the Managers Rum Punch Party with a BBQ afterwards and every Tuesday we offer a wonderful Creole Buffet. The restaurant is open for Breakfast, Lunch and Dinner serving international cuisine with a Caribbean touch!
